REF: Christopher StetonCASE # 18-20323

DEAR CLERK of the COURT,

HELLO, I PRAY that you and all there in the COURT ARE WELL, SAFE, AND of the best of health in this time of this CORONA VIRUS by GOD'S GRACE.

HERE COMES ONE Christopher Steton, PRO-SE, UNSKILLED, UNLEARNED of the law, requesting the COURT to ACCEPT this AS A MOTION of ONE UNEDUCATED with the lack of knowledge of the letter of the law.

I come today requesting "Help" from this COURT. I AM in the process of preparing a PRO-SE motion concerning the ABOVE CASE NUMBER. I have been requesting certain documents from my prior attorney for several months, and I have recently requested my entire discovery file, but have not had any results from my requests. I seek these documents as they are PERTINENT to MY defense.

I request of this COURT: under the interest of justice: an order to one Attorney Sanford Schulman for release and full disclosure of a copy of "All" legal documents he and his firm may have pertaining to this CASE NUMBER, and ANY ATTACHED CASE files including any related AUDIO and VIDEO files AS WELL. I seek full disclosure of ALL discovery statements, and ANY documents that are in the file.

As the COURT is AWARE, a defendant should be provided at least ONE copy of his entire file so he may pursue further litigation. I have with due diligence attempted to contact Attorney

Schulman, but have not been successful in my recent attempts. I have enclosed copies of my correspondence with the attorney.

I ask this court under the interest of justice to grant this motion.

Thank you for your time and understanding.

God Bless,
Christopher Staton

Michael Lynch has access to the entire file and we need to coordinate what documents you want and how to get these to you

Hello Atty. Schulman,

It has been a few months since I have spoken with you. I was checking to see if you were able to locate the indictment and grand jury minutes and also the search warrant for my phone. I don't have these documents and I have no doubt that if they were in your possession that I would have a copy, so I am assuming that Mr. Perkins never sent them to you. Is there a procedure that I can be taken to obtain these documents? Please advise.

Thank you

Chris Staton.

Hello Attorney Schulman,

I wanted to receive a copy of the discovery package that your told me you had from the Prosecutor's office. I have been requesting from you a copy of the indictment and the search warrant on my cell phone for several months and I know that you said that you did not have those documents and I assumed that Attorney Perkins had failed to send you the complete discovery package, but I was not aware until our last conversation that you had also received discovery from the Prosecutor. I would like to go through the whole package myself. Please let me know what I need to do to receive that discovery package.

Thank you
Chris Staton
